University Announcement

Notification on Emergency Response Unit (ERU) (12)

With your help and support, the University manages to operate normally while providing appropriate assistance for our students and staff.

In spite of the current challenging situation in Hong Kong, we have received many enquiries from overseas students and staff about the situation in Hong Kong. Nearly 100 students from all over the world as well as several overseas experts decided to abandon their studies or employment in Hong Kong.

The University endeavours to provide a safe and welcoming environment for all students to learn and prosper. To continue to achieve this, we would like to call upon the University community to continue to work together to get us through these difficult times.

Staff and students who are in need or who encounter special circumstances can contact the ERU through Professor Eric Chui, Dean of Students, and the Student Development Services team at enquiry.eru@cityu.edu.hk. The ERU will continue to communicate directly with staff and students, and refer enquiries to the corresponding departments for appropriate assistance. In emergency situations, staff and students may call our 24-hour emergency hotline: 3442 8888.

Chairmen of the ERU,
Professor Horace Ip Ho-shing, Vice-President (Student Affairs)
Mr Sunny Lee Wai-kwong, Vice-President (Administration)
